

MONARCHS, KNIGHTS & MAJESTICS AMERICAN LEGION BASEBALL MEETING

(www.medicinehatbaseball.com)

The Medicine Hat Big League Baseball Annual General Meeting and 2018 American Legion Baseball Registration will be held at the

Family Leisure Centre – 2000 Division Ave NE
******* Wednesday, November 15, 2017 at 7:00 pm *******

Player's eligible to play for the 2018 Medicine Hat American Legion Baseball teams includes players from our zone born in 99, 00, 01, 02 and 2003. The number of teams is dependent on the number, age and skill level of registered players. Note: players born from Sept 1, 2003 and later are also age eligible for the local Junior Little League all-star program. American Legion does not ask players to leave the Junior Little League program however we do communicate with Little League each year to be updated of any rule or age changes and family situations to see what may work best. The American Legion Baseball program does affiliate some players from these younger programs in our area. The Medicine Hat zone includes the area of surrounding communities from Foremost, Bow Island, Oyen, Fox Valley and Maple Creek etc.

Players must be dedicated to the baseball program during mid-May to early August. The off season has flexibility for other sports & interests; however expectations are that the player will participate as much as possible in the indoor training sessions and strength/training programs offered in the community.

It is **Very Important** that parents of players interested in trying out for the 2018 season attend so that everyone receives the same information and it will allow for the program to plan accordingly. Player fees for 2018 will remain at \$1500.00 this will include a **\$200.00 deposit, payable to MH Big League Baseball at the time of player registration.** **Families may also attend the meeting for purpose of learning about the program so that they may make an informed decision before registering.**

Try outs, season start dates, coaching, events, executive, fundraising, and the workforce required to operate the program will be discussed as well as the 2017 financial statement.

Winter indoor training will begin after Christmas, the dates as well as other player event information will be announced at this meeting. **Indoor dates will be for registered American Legion baseball players, who have paid the deposit. Intermediate and Junior aged players for 2018 within our drawing area are also invited to attend.** Players will be required to pay a per session fee for indoor sessions.

Players are welcome to attend however it is not mandatory. Parents can register players and sign the necessary documents. The players can then sign any necessary forms at the first function they attend i.e. indoor training/tryouts etc.
